

IBENA® DRY

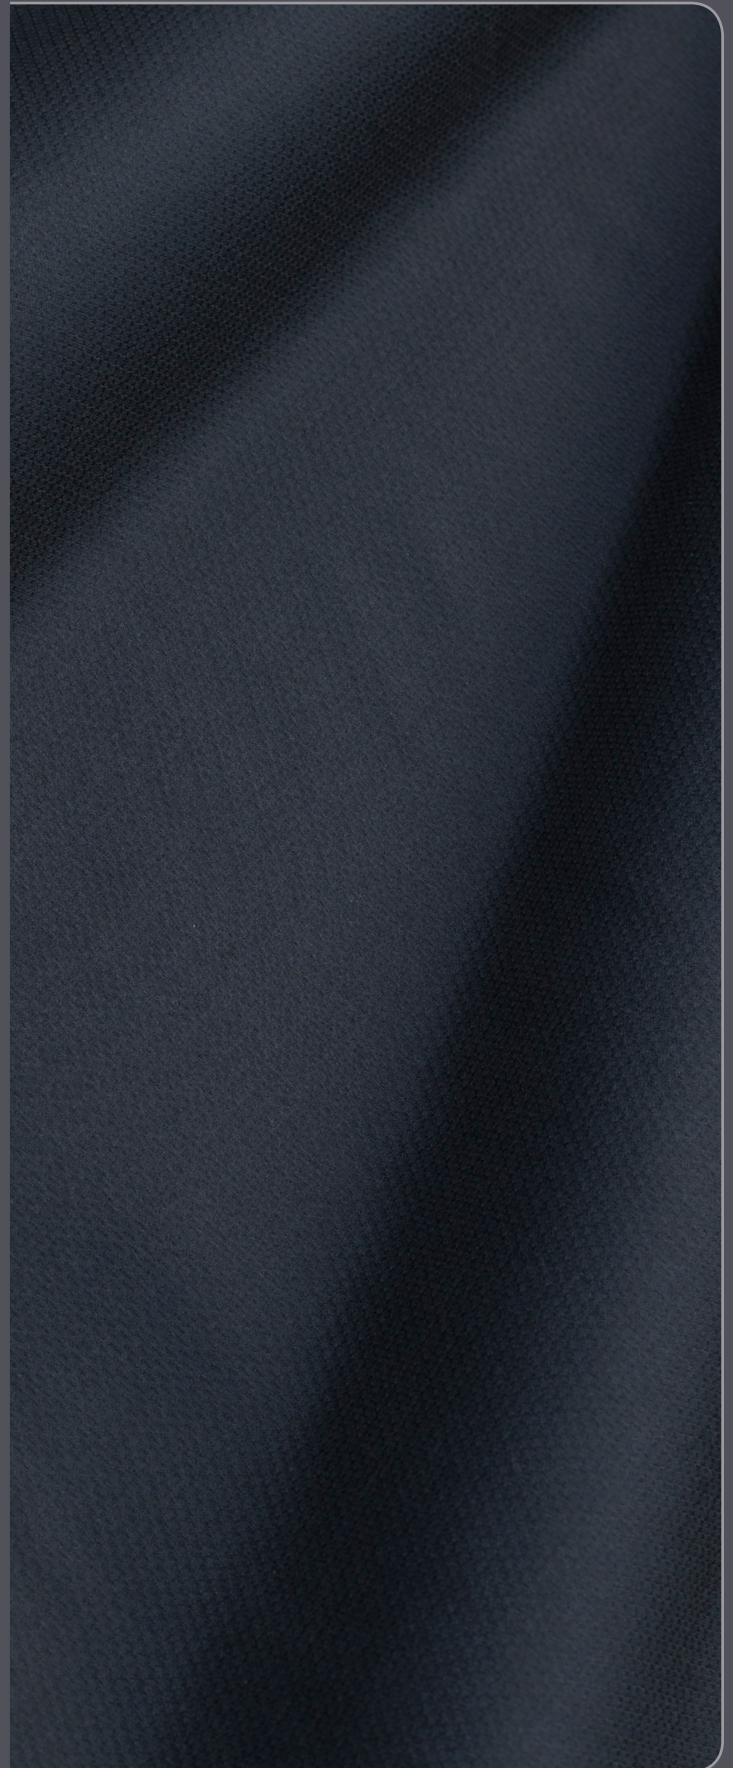

with Nomex®

IBENA® DRY - Protection and comfort in the third dimension

Highest wearing comfort is essential for protective clothing. The new 3-dimensional, hydrophilic IBENA® DRY lining fabric moves moisture away from the body without chemical treatment:

- 3D fabric structure provides higher insulation
- enhanced breathability allows perspiration to escape
- perfect body climate
- hydrophilic performance for lifetime
- increased freedom of movement by smart fabric construction
- color: darkblue
- OEKO-TEX® STANDARD 100 - Supplement „PPE and materials for PPE“
- DIN EN ISO 5077, DIN EN ISO 15025 and ISO 17493 approved
